

# THE STRATEGY CAPACITY ASSESSMENT

**A.** Assess your team's ability to apply strategic thinking (ability to see the big picture, articulating strategic objectives, identifying relationships, patterns and trends, creativity).

**1** = Very little application of strategic thinking, mostly a tactical, day-to-day approach

**10** = Very proficient and consistently apply strategic thinking

Write down the score.

**B.** Assess your team's ability to execute on your strategy.

**1** = Very little on our strategic plan gets completed

**10** = We consistently execute on all of our strategic initiatives in our plan

Write down your score.
